3.5.2. Number of functional MoUs with institutions, other universities, industries, corporate houses etc. during the year (2021-2022)

INDEX – LIST OF MOUs

Sl. No.	Organization with which MoU is signed	Name of the institution/ industry/ corporate house	Activities conducted	No. of Participants	Page No.
1.	Sapthagiri Institute of Medical Science and Research Center (SIMSRC), 15, Hesaragatta Main Road, Navy Layout, Chikkassandra, Bengaluru-560090	Dept. of BT, Sapthagiri College of Engineering	Workshop, Webinar	49	3 – 22
2.	Skanda Life Science Pvt Ltd, Shree Shaila Bramara, Srigandada Kaval, Bengaluru-560091	Dept. of BT, Sapthagiri College of Engineering	Project, Webinar	65	
3.	Avani green factory, Bengaluru, No. 368/A, Ground floor, 11th main road, 3rd Stage, 1st Block, Manjunath Nagar, Bengaluru	Dept. of BT, Sapthagiri College of Engineering	Internship	3	
4.	Udbhava Technologies Pvt Ltd, Banglore, 3rd Floor, 24th Main Road, Marenahalli, JP Nagar, 2nd Phase, Banglore-560078	Dept. of BT, Sapthagiri College of Engineering	Internship	2	
5.	ICAR-Indian Institute of Horticultural Research, Hessarghatta Lake Post, Bengaluru-560089, Karnataka, India	Dept. of BT, Sapthagiri College of Engineering	Industrial Visit	53	
6.	CADD CENTER	Dept. of CIVIL Engineering, Sapthagiri College of Engineering	Five days hands-on Training on REVIT Architecture Software	37	23 – 30

Sl. No.	Organization with which MoU is signed	Name of the institution/ industry/ corporate house	Activities conducted	No. of Participants	Page No.
7.	Tequed Labs Private Limited	Dept. of CSE, Sapthagiri College of Engineering	Seminar on "BUILDING CAREERS THROUGH INTERNSHIP PROGRAMS"	90	31 – 95
			CERTIFICATION COURSE-ADVANCED JAVA	80	
			Seminar on "EMERGING TECHNOLOGIES & OPPORTUNITIES IN COMPUTER SCIENCE ENGINEERING"	110	
8.	ATS InfoTech Pvt. Ltd., Microsoft-AEP (Authorized Education Partner)	Dept. of CSE, Sapthagiri College of Engineering	Workshop on "JAVA Programming"	17	
9.	Infosys Private Ltd	Dept. of CSE, Sapthagiri College of Engineering	Train the Trainer	2 (faculty)	
			Course on “Introduction to Artificial Intelligence”	2 (faculty)	
			Course on “Introduction to Data Science”	1 (faculty)	
			Course on “Computer Vision 101”	1 (faculty)	
			FEP on “Python Programming”	2 (faculty)	
			Java Programming	1 (faculty)	
10.	Karunadu Technologies Private Limited	Dept. of CSE, Sapthagiri College of Engineering	Skill Enhancement Program	132	
11.	Schemazen Technologies Pvt. Ltd.	Dept. of ECE, Sapthagiri College of Engineering	3 Days Workshop on Design, Development & Deployment of Electronic Products	90	96 – 106
12.	Karunadu Technologies Private Limited	Dept. of ISE, Sapthagiri College of Engineering	Internship	41	107 – 111
13.	Tequed Labs Private Limited	Dept. of ISE, Sapthagiri College of Engineering	Internship	59	
14.	Govt. Tool Room Training Centre (GTTC)	Dept. of ME, Sapthagiri College of Engineering	Internships	11	112 – 146
15.	HHV Pumps Pvt. Ltd.	Dept. of ME, Sapthagiri College of Engineering	International Conference ICGCP-2022	120	
16.	CMTI (Central Manufacturing Technology Institute)	Dept. of ME, Sapthagiri College of Engineering	Idea Presentation Competition	4	
17.	CADMAXX Solutions	Dept. of ME, Sapthagiri College of Engineering	Online Quiz on “Design of Machine Elements”	135

Name/Title of the Activity/Event	Handling Fluorescent and Dark field microscopes Resource Person: Dr. Hemavathi, Professor, Department of Microboiology,Sapthagiri Institute of Medical sciences, Bangalore 57
Date of Organization	23rd May 2022 to 24th May 2022
Venue (with address)	Department of Microboiology,Sapthagiri Institute of Medical sciences, Bangalore 57
Organized by	Dr. Soumya C – Coordinator Dr Shobha G
Objectives of the event/activity	Dynamic 3D imaging of various cellular level dynamics
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	49 participants (IV sem)
Mention organized /participated/attended	Organized

Event Description:

The Department of Biotechnology organized two days workshop on Handling Fluorescent and Dark field microscopes

The objective of this workshop was Staining the components and structure of the components with dyes and producing a image of the components using Fluorescent and Dark field microscopes.

Students benefited by this program by upgrading their skills and learn techniques in handling fluorscent and dark field microscope. Total of 49 participants registered and participated in the workshop.

Dr Hemavathi, Professor and HOD, Department of Microbiology, Sapthagiri College of Engineering, as a resource Person She started this course by introducing objectives and outcomes of this workshop briefing on working principle of different types of microscopic technique and in detail with Fluorescent and

Dear Nisar Ahmed,

Greetings from Avani Green Factory.

As per the request from Department of Biotechnology, Sapthagiri College of Engineering, we are glad to accept your candidature for internship with Avani Green Factory starting from September 1st to September 30th.

We wish you all the best and also a great learning journey with Avani Green Factory.

2022-EVEN

*Type of event/activity	Industrial Visit to IIHR
Name/Title of the Activity/Event	Study of Tissue culture and Mushroom Culture techniques.
Date of Organization	22-July 2022
Venue	IIHR, Bengaluru.
Organized by	Co-ordinators: Dr Shobha G, Dr Gouri Mirji
Objectives of the event/activity	To understand the techniques of Tissue culture and Mushroom Culture.
Participants	53 participants
Mention organized /participated/attended	Organized

Event Description:

The Department of Biotechnology organized an Industrial visit to Indian Institute of Horticulture Research on 22-July-2022 from 10am am to 1pm in association with Shristi Forum, BT, SCE.

The objective of the visit was to study the tissue culture and mushroom culture techniques. Tissu culture allows the production and propagation of genetically homogeneous, disease-free plan material. Plant tissue culture is a collection of techniques used to maintain or grow plant cells, tissue or organs under sterile conditions on a nutrient culture medium of known composition. It is widel used to produce clones of a plant in a method known as micropropagation. The study of Mushroon culture helps to study the conditions and requirements for the propagation of mushrooms an promote self-employment.

Dr Nandeesh, Department of Basic Science,IIHR, explained the techniques of tissue culture. The visi had an interactive session where students and faculty coordinators, SCE have, learnt and benefite with information related to working with tissue culturing units. About 53 students participated and i was an informative event.

Monthly Event Report for the month of November

DEPARTMENT OF CIVIL ENGINEERING

*Type of Event/Activity	Hands on Training
Name/Title of the Event / Activity	Five Days Hands on Training on "REVIT ARCHITECTURE"
Date of Organization	06/12/2021 to 10/12/2021
Venue	CADD Lab, Civil Engineering Department, Sapthagiri College Of Engineering
Organized by	DEPARTMENT OF CIVIL ENGINEERING
Objectives of the event/activity	After completing this training, Students will be able to: ❖ Describe building information modeling methodology and its benefits. ❖ Use different parts of the Revit Architecture user interface and work with different types of architectural elements and families. ❖ Use the different views listed in the Project Browser, control the visibility and graphical ❖ Representation of objects in architecture model, and work with elevation, section, and 3D views. ❖ Set up a project and transfer standards between projects, add and modify levels in project model, create and modify grids. ❖ Work with architectural components: ❖ Grids and Levels Wall, Floors, Roof, Ceiling, Staircase, Railing, Revit Model Family ❖ Work with documentation components: Text , Tag , Title block, Room , Colour fill, Schedules ❖ Work with detail views, add 3D and 2D elements and detail components. ❖ Work with sheets and title blocks, print sheets, and export Revit architecture content to CAD formats.

Event Description:

Revit is software mainly used for 3D Modeling or BIM (Building Information modeling). It will create a perfect scenario of what is going to happen at the construction site. So basically all the design clashes will be able to rectified using the Revit Model. Moreover, there is option for Structural Design and Analysis of Framing, Columns, Slabs etc. We can use this software for Rebar detailing. And the most important one is cost reduction in Estimation of the project as we can purge all the unwanted and unused materials

Report on 5 days Hands-on Training on- Revit Architecture

Date- 10/12/ 2021

Name of the Workshop – 5 days Hands-on Training on Revit Architecture.

Name of Resource Person- Mr.Viswas

Name of workshop Coordinators- Ms.Kavya H P & Mr.Pramod K R

No. of Students registered for workshop- 37 Civil engineering studentsWorkshop

No. of Days: 5 Days

Venue:- Civil CAD LAB,

Schedule of workshop-.

Revit is software mainly used for 3D Modeling or BIM (Building Information modeling). It will create a perfect scenario of what is going to happen at the construction site. So basically all the design clashes will be able to rectified using the Revit Model. Moreover, there is option for Structural Design and Analysis of Framing, Columns, Slabs etc. We can use this software for Rebar detailing. And the most important one is cost reduction in Estimation of the project as we can purge all the unwanted and unused materials

The civil department has arranged a 5 days workshop on software Revit Architecture for civil engineering students from 06/12/2021 to 10/12/2021. Overall 37 students have participated in this workshop.

The inaugural function of workshop was done in presence of Dr.Manjunath. Head of civil Department on starting day of workshop.

Principal
Sapthagiri College of Engineering
14/5, Chikkasandra, Hesaraghatta Main Road
Bengaluru - 560 057

Revit Architecture is recent software in civil field and mostly used for building planning and modeling. Mr Viswas has given lecture on Revit for 5 days and his team support to students for practicing. Ms Ritu Parna is the leader of Cad centre training center. Cad centre offers a career focused education with dynamic learning environment and also provides course material. From last few years he provided training to students on different software at Cad centre center

Day wise summary of the workshop

Day	Session No.	Time	Topic covered
Day 1 Monday	1	2.00pm to 5.00pm	User Interface The Ribbon Framework About Building Elements About Families About Projects
Day 2 Tuesday	2	2.00pm to 5.00pm	About Project Templates . About the Default Project Template About Revit File Types
Day 3 Wednesday	3	2.00pm to 3.00pm	Aids About Wall Properties Modifying Walls About Joins Editing and Preventing Wall Joins About Compound Walls About Modifying
	4	3.50pm to 5.00pm	Compound Walls Setting Layer Wrapping in Compound Walls About Vertically Compound Walls Edit Tools Clipboard Tools
Day 4 Thursday	6	2.00pm to 5.00pm	Creating a New Door Type About Windows Process of Adding and Modifying Windows Floors Modifying Floors
Day 5 Friday	7	2.00pm to 3.00pm	Creating a New Door Type About Windows Process of Adding and Modifying Windows Floors Modifying Floors .About Temporary Dimensions About Permanent Dimensions About Constraints Applying and Removing Constraints
	8	3.50pm to 5.00pm	Practice

Bengaluru - 560 057

Outcomes of Workshop

1. To be familiar with advanced Civil Engineering Software like Revit architecture and its use in our field. After the completion of the workshop students are now familiar with the use of this software to draft the plan, elevation sections, to update floor plans, floor levels and to develop the 3D views
2. To Produce consistent, coordinated and complete model-based building designs and Documentation. After competition of the workshop students are able to produce complete model based building design with the help of Revit Architecture software
3. Use 3D visualisations to see a building before it's built.

Inaugural Function

TEQUED LABS PROGRAMS CONDUCTED DURING 2021-22

Tequed Labs Private Limited is a Private company incorporated as research and development centre and educational institute based in Bangalore. The company director's are Mr Aditya Shivasharanappa and Mr Supreeth Yerriswamy. Tequed Labs has signed an MOU with Department of Computer Science & Engineering and Department of Information science & Engineering, Sapthagiri College of Engineering for upcoming Industrial Skill Development and Internship program was started from January 2020 for final year students which are part of their academics. Initially Classroom training was conducted for a week and projects were assigned for the next three weeks. The topics included for Internships were:

- Artificial Intelligence with Machine Learning.
- Practical Internet of Things and Applications.
- Cyber Security and Ethical Hacking.

Students from Department of Computer Science & Engineering and Department of Information Science participated with interest and enthusiasm. Totally 125 students had participated for Internship program conducted by Tequed Labs. Along with Internship program, various other programs like online courses and webinar presentations were also conducted. The programs conducted were:

SL.NO.	PROGRAMS CONDUCTED	RESOURCE PERSON	DATE
1	BUILDING CAREERS THROUGH INTERNSHIP PROGRAMS	Mr Supreeth Y	9th Sep 2021
2	CERTIFICATION COURSE-ADVANCED JAVA	Mr. Abhishek K	27th Sep 2021

1. REPORT ON WEBINAR –

BUILDING CAREERS THROUGH INTERNSHIP PROGRAMS

This webinar is organized by department of computer science and engineering in virtual meet on 6th September 2021.The resource person was Mr. Supreeth Y S, Director and CEO, tequed labs. The concept of the webinar on building careers through internship program.

Objective of Webinar is to facilitate research, **knowledge** sharing, learning and career enhancement for all categories of IT Professionals through internship programs, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community.

With the support of Convener Dr. Kamalakshi Naganna, Professor & Head, Department of CSE, we coordinator Prof. RASHMI H C and Prof. SURESH KUMAR invited Mr. **SUPREETH Y S** DIRECTOR AND CEO, Tequed Labs to educated children of 7th sem on Building careers through internship programs. We posted the Google Link in respective 7th Sem students WhatsApp group.The students of 7th sem responded very well by attending around 90 students.

2. REPORT ON CERTIFICATION COURSE –

ADVANCED JAVA

Certification course on Advanced Java was conducted from 27-9-2021 to 1-10-2021 by Mr. Abhishek K L, Assistant Professor, MSRIT for 5th semester CSE students. This certification course enhance the knowledge of C++ and Advanced Java for career opportunities.

With the support of Convener Dr. Kamalakshi Naganna, Professor & Head, Department of CSE, we coordinator The students of 5th sem responded very well by attending C Coding and Debugging quiz. Around 80 students participated Finally Convener Dr. Kamalakshi Naganna, Professor & Head, Department of CSE thanked everyone for their participation and also thanked coordinators for organizing this event.

3. REPORT ON TECHNICAL TALK –

EMERGING TECHNOLOGIES & OPPORTUNITIES IN COMPUTER SCIENCE

Soft skills are a **cluster of productive personality traits** that characterize one's relationships in a social environment. These skills can include social graces, communication abilities, language skills, personal habits, cognitive or emotional empathy, time management, teamwork and leadership traits

Communication, at its simplest, is the act of transferring information from one place to another.

Examples of Communication Skills:

- Active listening.
- Active listening means paying close attention to the person who is speaking to you.
- Adapting your communication style to your audience.
- Friendliness.
- Confidence.
- Giving and receiving feedback.
- Volume and clarity.

So the Department of CSE decided to conduct Technical talk on Emerging Technologies & Opportunities in Computer Science. With the support of Convener Dr. Kamalakshi Naganna, Professor & Head, Department of CSE, we coordinator Dr. GURURAJ M and PROF. VINDHYA G B organized the event in Seminar Hall. We posted the brochure in respective 7th sem students WhatsApp group. The students of 7th sem responded very well by attending TECHNICAL TALK. Around 110 students participated in the event and many of them contacted Mr. SUPREETH, the resource person to get more information. Finally Convener Dr. Kamalakshi Naganna, Professor & Head, Department of CSE thanked everyone for their participation and also thanked coordinators for organizing this TECHNICAL TALK.

Please do not print this email unless it is absolutely necessary. Spread environmental awareness.

Vision:

To be a potential quality source of expert computer engineers. addressing the requirements of industry and civic demands at large.

Mission:

Enable learning in emerging technologies adopting innovative methods.

To enhance ability, cultivate collaboration to bring change in building student's approach towards society.

Make available platforms for harnessing entrepreneurial and leadership qualities.

To partner continuously with industry to inculcate practical knowledge

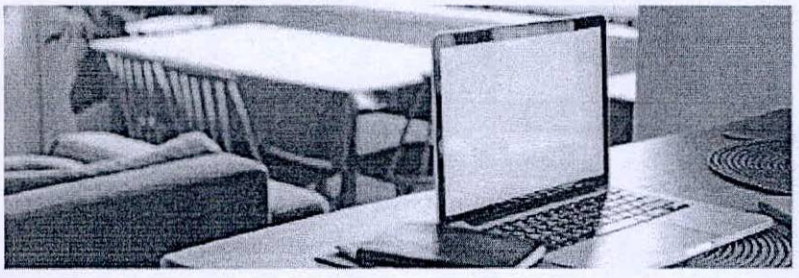

Program Educational Objectives (PEOs):

PEO 1: Graduates will have the expertise in analyzing real time problems and providing appropriate solutions related to Computer Science & Engineering.

PEO 2: Graduates will have the knowledge of fundamental principles and innovative technologies to succeed in higher studies, and research.

PEO 3: Graduates will continue to learn and to adapt technology developments combined with deep awareness of ethical responsibilities in profession

Dear Professor,

Greetings from Infosys!

"Life is a matter of choices, and every choice you make makes you."

--- John C Maxwell

Thank you for your continued support for Campus Connect programs and for onboarding your students on Infosys Springboard. As a step to ensure that we learn from each other and continue to interact regularly, we would like to invite you to an **e-meet** with the theme **"Choice Based Credit System on Infosys Springboard"**. An educational model that offers students to opt for courses & subjects of their choice. We will also keep you apprised of the progress made by your students and recognize the tremendous efforts of you and your teams.

The agenda and meeting details are as follows:

AGENDA	MEETING DETAILS
• Address by Infosys Leadership • Choice Based Credit System on Infosys Springboard • Learning Statistics • Experience sharing by SPOC of the month • Q&A	**Date:** 11th March, 2022 **Time:** 11:00 AM - 12:30 PM **Meeting number:** 2510 883 0099 **Session Password:** Infy123

Faculty Enablement Program (FEP) Series
JUNE 2022

A CAMPUS CONNECT INITIATIVE

Dear Professor,

Greetings!!

Infosys invites you for a series of Faculty Enablement Programs (FEP) using Infosys Springboard platform. These programs will be a rich blend of theory and hands on practice with enriched self-learning content on the platform.

The objective of the workshop is to upskill the faculty members of educational institutions on the latest IT trends and enable them to take up industry certifications available on the Infosys Springboard platform. This will benefit our student community by making them industry ready.

Schedule:

Date / Time	Time	Topic
June 6th to June 10th , 2022	10:00 AM – 1:30 PM	Artificial Intelligence
June 13th to June 17th, 2022	10:00 AM – 1:30 PM	Python Programming
June 20th to June 24th ,2022	10:00 AM – 1:30 PM	Java Programming
June 27th to July 1st ,2022	10:00 AM – 1:30 PM	Angular

Note: 2:30 PM – 5:00 PM is self-learning and hands on practice session on all the days.

Please identify **two faculty members** subject to the following eligibility criteria:

- Should be a permanent member of faculty of the CSE / IT / ISE / MCA departments with experience ranging from 2 to 15 years
- The faculty member should be interested in driving student certification programs at the institution
- Faculty member should be registered on Infosys Springboard platform

Last day to register for the workshop: ***May 23, 2022***

Please feel free to reach out to us at Springboard-support@infosys.com for any queries regarding registration.

Thank You and Minutes of Meeting | SPoCs Meet | 14th July 2022

1 message

Infosys Springboard-Support <Springboard-support@infosys.com> Wed, Jul 20, 2022 at 2:36 PM

Respected Sir/Madam,

Greetings from Infosys!

Thank you for sparing time to attend SPoC's Meet event on 14th July 2022. Appreciate your enthusiastic participation.

Here are the key points discussed in the meeting:

Academic Curriculum Integration with Infosys Springboard: Institutions can make use of the courses / contents available on the Infosys Springboard as part of their academics for additional learning. Reach out to your regional anchor for more details. Infosys Springboard courses may be suggested as MOOC courses and choice based credit courses.

Certifications: Institutions can encourage the students to take up the certifications to improve their digital skills. Click here to find more information about the Certifications.

Industry Ready Roles: Institutions can encourage the students to take up the courses which have been aligned to the skills required by the IT industry. Click Here to find more information.

Choice Based Credit System: Institutions can use the choice based courses / certifications to their students as part of assessment/assignment components, credits for self-paced learning etc. Click Here to find more information.

Virtual Roadshows: Virtual session for students to demonstrate the Infosys Springboard platform are in-progress. You may contact your regional Anchors to conduct the Infosys Springboard Briefing session for your Students.

Registration: Request you to onboard all your students to the Infosys Springboard platform. The process for bulk registration is available in the "Partner with us section" in our Campus Connect microsite.

Send us the list of students who would be using our learning solution. You will get access to the learning

data of only these students.

For any queries related to registration process, learning analytics access or any other support on the

Principal

Infosys Campus Connect | Invitation : Faculty Enablement Program (FEP) on Python Programming | October 2022

1 message

Girija Girija T R <girija.r01@infosys.com> Tue, Oct 4, 2022 at 12:32 PM
To: Girija Girija T R <girija.r01@infosys.com>
Cc: Sahana Kumaraswamy <Sahana_Kumaraswamy@infosys.com>

Dear Professor,

Greetings!!

Infosys cordially invites you for a Faculty Enablement Program (FEP) on Python Programming using **Infosys Springboard** platform. This will be a rich blend of theory and hands on practice with enriched self-learning content on the platform.

The objective of the workshop is to upskill the faculty members of educational institutions on Python Programming, its applications and enable them to conduct these sessions for their students. They will also take up relevant certification to accredit their learning. This will benefit our faculty and student community by making them industry ready.

-

PROGRAM SCHEDULE

Dates	October 17 - 21, 2022
Timings	10:00 AM – 4:00 PM

Note: **2:30 PM – 4:00 PM** is self-learning and hands on practice session on all the days.

Please identify **two faculty members** subject to the following eligibility criteria:

- Should be a permanent member of faculty of the CSE / IT / ISE / MCA departments with experience ranging from 2 to 15 years
- The faculty member should be interested in driving student certification programs at the institution
- Faculty member should be registered on Infosys Springboard platform

Click here to nominate

Principal
Sapthagiri College of Engineering
14/5, Chikkasandra, Hesaraghatta Main Road
Bengaluru - 560 057

*Kindly login to **Infosys Springboard** to nominate (If not registered please register on **Infosys Springboard**)*

Last day to register for the workshop: Oct 10, 2022

Note:

- The FEP is certification based and successful completion of the relevant certification on Infosys Springboard will make the participants eligible to get the participation certificate.
- After the FEP we recommend that the faculty member must facilitate Python Programming in the institution for a batch of minimum 100 students and ensure that students complete the certification on Infosys Springboard in 30 days' time (latest by Nov 2022).

Please feel free to reach out to us at Springboard-support@infosys.com with subject line **"FEP series 2 – Python programming"** for any queries regarding registration.

Regards,

Infosys Springboard - Team Campus Connect

Best Regards,

Department of Electronics and Communication Engineering

3 Days Workshop

Design, Development & Deployment of Electronic Products

In Association with

SCHEMAZEN TECHNOLOGIES, Bengaluru

28-Sept-2021 to 30-Sept. 2021

VISION OF THE INSTITUTE

To be a best Institution imparting quality engineering to deal with community needs through learning and performance

MISSION OF THE INSTITUTE

- To implement path breaking student centric education methods.
- To augment talent, nurture teamwork to transform to develop individual as responsible citizen.
- To educate the students and faculties about entrepreneurship.
- To meet vibrant requirements of the society, Strengthen Industry-

About the College

Sapthagiri College of Engineering stands on the strong edifice of Sri Srinivasa Educational & Charitable Trust® which was established in the year 2001 and completed 2 decades. SCE, Bengaluru is affiliated to VTU, Belagavi and approved by AICTE, New Delhi. It is ISO 9001:2015 & 14001:2015 certified Institute and Accredited by NAAC with 'A' Grade. The Institute is dreams come true of founder Chairman late Sri T.Giriyappa. Following his footsteps, present Chairman Sri.G.Dayanada, is leading the Governing Council of the Institute - a visionary and an eminent industrialist and head of GD Group and Sri G.D. Manoj is the Executive Director of SCE.

The college has indeed come a long way offering 7 UG Courses in engineering namely Computer Science & Engineering, Information Science & Engineering, Electronics & Communication Engineering, Mechanical Engineering, Electrical & Electronics Engineering, Civil Engineering, Biotechnology and eight Research Centres. Students of SCE, so far have achieved 36 University Ranks and Gold Medals. It has Incubation Center with Industry Institute Labs and various MOUs with Industries for facilitating internships, projects and placement to students. Research activities from faculties & Students getting funds from various agencies like DST, KSCST, and VTU-VGST etc. The campus of Sapthagiri College of Engineering is spread across 6.5 acres of lush green land.

Vision of the Department

To be an endeavouring department for providing globally relevant learning experience to the students.

Mission of the Department

- To Enrich learning experience of students with creative and innovative teaching methods
- To Inculcate societal responsibility in students
- To Develop entrepreneurial skills of students to make them entrepreneurs rather than employees
- To Partner with Industry for focusing on real-life problems and make learning more practical

About the Department

The Department of Electronics and Communication Engineering was established in the year 2001 and intake of 120. The department has achieved academic milestones by securing 02 university ranks. The students of our department participated in student project program organised by KSCST (Karnataka State Council for Science and Technology) and secured the best project award. The department has collaborated with reputed industries for the purpose of MOUs, Industry established lab and Centre for Excellence, Training and Development (CETD).

About the Workshop

This workshop serves as a catalyst for final year and pre final year students empowering them with a state-of-the-art in Design, Development & Deployment of Electronic Products. In this Workshop students can learn about working on cadence tool, Schematics, PCB designs etc. Workshop is carried out by industrial expert from SCHEMAZEN TECHNOLOGIES, Bengaluru.

Students can register using the link

Tentative Schedule

Date	Topics	Time	Resource Person
28.09.21	Introduction to Electronics Industry , Products	9AM – 10:30AM	Mr. Karunakaran & Team
	Role of Product Designers		
	Bridging the Gap between Industry and Academics		
	Introduction to System Design Life Cycle		
28.09.21	Introduction to Tools CADENCE ORCAD for Designing the Products	11AM – 12:30PM	
	[With Handson]		
28.09.21	Hardware Design Life Cycle	2:30PM – 4 PM	
	Various Types of Processors , ICS used for Product Design		
	Component Packages		
29.09.21	Designing a Real time Board	9AM – 10:30AM	
29.09.21	Schematics , PCB Design , BOM , Netlist	11AM – 12:30PM	
29.09.21	Manufacturing, Components Procurement for your board.	2:30PM – 4 PM	
30.09.21	IOT Product Demo's .	9AM – 10:30AM	
30.09.21	CareerS in HW Design , QA Session	11AM – 12:30PM	
30.09.21	Test , Certification and Conclusion	2:30PM – 4 PM	
	Manufacturing, Components Procurement for your board.

(Affiliated to Visvesvaraya Technological University, Belagavi& Approved by AICTE, New Delhi)
#14/5, Chikkasandra, Hesaraghatta Main Road, Bengaluru – 560057
ISO 9001, 14001 Certified Institute, Accredited by NAAC with A Grade

Department of Electronics & Communication Engineering

Workshop on Design, Development and Deployment of Electronic Products

Department of ECE conducted a 3 days workshop on Design, Development and Deployment of Electronic Products from 28-09-2021 to 30-09-2021.

- **Resource Person** : Mr.Karunakaran & Team, Schemazen Technologies. Bengaluru
- **Duration of the workshop** : Three days from 28-09-2021 to 30-09-2021.

Objective of the Workshop: The three days workshop has made the students to be familiar with the major concepts in Design, Development and Deployment of Electronic Products which is a main platform for their career .Three days workshop helped the students to improve their knowledge in electronics product design.

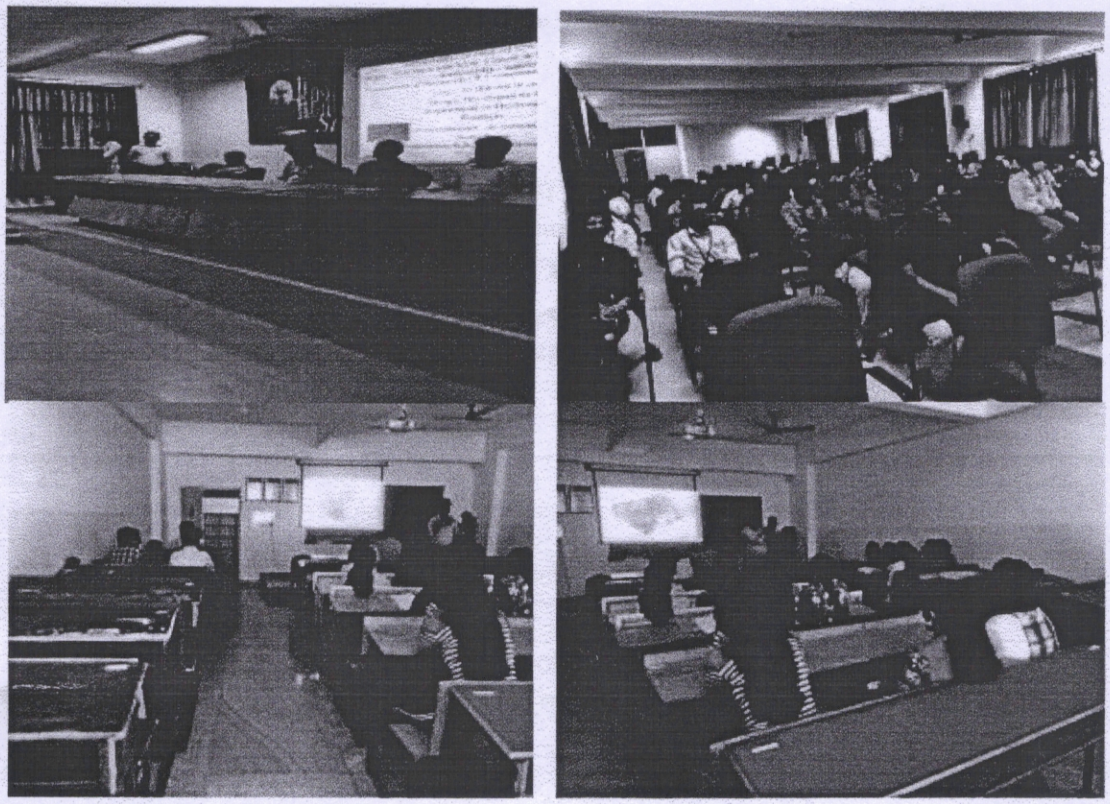

Date	Topics	Time
28.09.21	Speaker delivered lecture on Introduction to Electronics Industry, Products, Role of Product Designers, Bridging the Gap between Industry and Academics Introduction to System Design Life Cycle	9AM – 10:30AM
28.09.21	Speaker introduced students about Tools CADENCE ORCAD for Designing the Products and Students had Handson session	11AM – 12:30PM
28.09.21	Speaker delivered lecture on Hardware Design Life Cycle, Various Types of Processors , ICS used for Product Design Component Packages	2:30PM – 4 PM
29.09.21	Speaker delivered lecture on Designing a Real time Board	9AM – 10:30AM
29.09.21	Speaker demonstrated Schematics , PCB Design , BOM, Netlist	11AM – 12:30PM
29.09.21	Speaker delivered lecture on Manufacturing , Components Procurement for your board.	2:30PM – 4 PM
30.09.21	IOT Product Demonstration by speaker	9AM – 10:30AM
30.09.21	Speaker delivered lecture on Careers in HW Design	11AM – 12:30PM
30.09.21	QA Session Certification and Conclusion	2:30PM – 4 PM

Department of Electronics & Communication Engineering

Conclusion:

The optimistic learning environment prompted motivation in the learning of the students. They felt bonhomie after the workshop they took. A sense of satisfaction was also seen. Faculty members were also equally benefited with the workshop. The speakers felt more expedient while delivering the lectures as the margin was erased between these students and them. A structured environment was created. This helped in the smooth flow of workshop plan by adhering to the timelines.

*Type of event/activity	**International Conference**
Name/Title of the Activity/Event	**International Conference –ICGCP-2022**
Date of Organization	24/06/2022 to 26/06/2022
Venue (with address)	Department of Mechanical Engineering, Sapthagiri College of Engineering, Bengaluru.
Organized by	Department of Mechanical Engineering
Objectives of the event/activity	1. Provide an opportunity for students to apply the fundamental concepts of Mechanical Engineering. 2. Motivate the students to develop communication and interaction skills 3. To motivate students to improve presentation skills.
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	120
Mention organized /participated/attended	120 students from 8th Semester Mechanical Engineering participated in the conference.

Event Description:

International conference ICGCP-2022 was organized by Sapthagiri College of Engineering, from 24th to 26th June 2022 for the research scholars and 8th Semester Mechanical Engineering students. 32 batches of students presented papers on their project work carried out. During presentations students interacted with the participants and session chairs and answers their queries.

Inauguration Function of ICGCP-2022

Inauguration of ICGCP-2022 was held on 24th June 2022, at 10am, in the seminar hall, Sapthagiri college of Engineering, under the guidance of the **Dr. Ramakrishna.H,** Principal / Chairman of ICGCP-2022, **Dr. K S Venakteshappa,** Administrative Officer, SIMS & RC. The ceremony was witnessed by the heads of departments of various sections, faculties and more than 300 participants who joined the event. The event was inaugurated by seeking blessings of god through a prayer rendered by students of Madhurya Team. Welcome was addressed by Dr. Tulsi Das, Professor Department of Mechanical Engineering. During addressing the gathering **Dr. Ramakrishna.H**, Principal / Chairman of ICGCP-2022, emphasized on the relevance of organizing ICGCP-2022 in the present context and urged all the faculty, research scholars to actively participate in the event by presenting their papers and interacting with peer researchers to get maximum benefit of the conference.

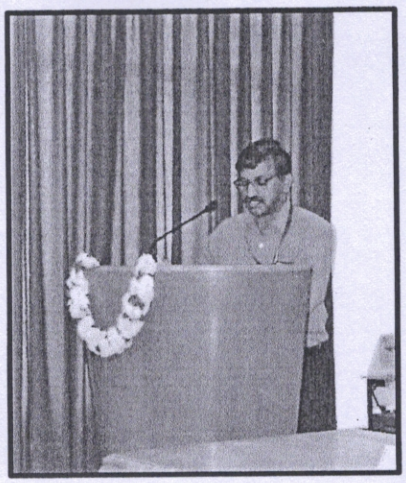

Principal / Chairman- ICGCP-2022, Dr.H.Ramakrishna Addressing the Gathering

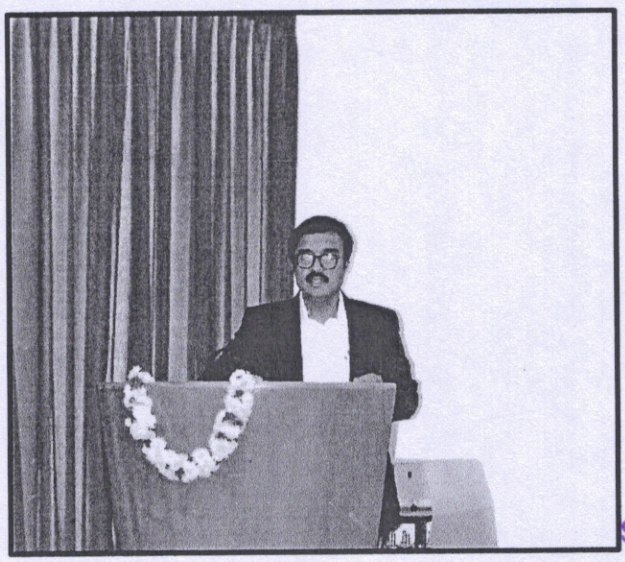

Dr. Tulsi Das, welcoming the gathering

Principal
Sapthagiri College of Engineering
14/5, Chikkasandra, Hesaraghatta Main Road
Bengaluru - 560 057

Dr. Harish G, Professor, Department of Physics

Dr. Harish G, Professor, Department of Physics, presented an overview of the conference and highlighted on the number of papers received from the research scholars of both inter-state and out of state. He also thanked the participants representing various premier institutions for submitting their research papers in ICGCP-2022. Also he shared his research experience and emphasized on doing research and obtaining PhD degree that will help in getting good opportunities in research institutions.

Sri. Sridhar Balakrishnan, Director, HHV Pumps.

Principal
Sapthagiri College of Engineering
14/5, Chikkasandra, Hesaraghatta Main Road
Bengaluru - 560 057

The chief guest Sri. Sridhar Balakrishnan, Director of HHV Pumps, Bengaluru, who first congratulated the organizers of ICGCP-2022 for the theme selected for the conference and its relevance in the present context. The speaker then emphasized on the fact the changes in the process are needed to meet customer requirements, and said that the change or requirement is coming from the customer. Hence the speaker added that the need of hour is to embrace the technological advances to bring out the best products/ services to satisfy the customers. He also encouraged the students to take up entrepreneurship as the career, as it would help the country in generating jobs and to improve the GDP. Also the speaker highlighted on the Government and MSME Schemes available and encouraged students to make best use of the schemes. Also he

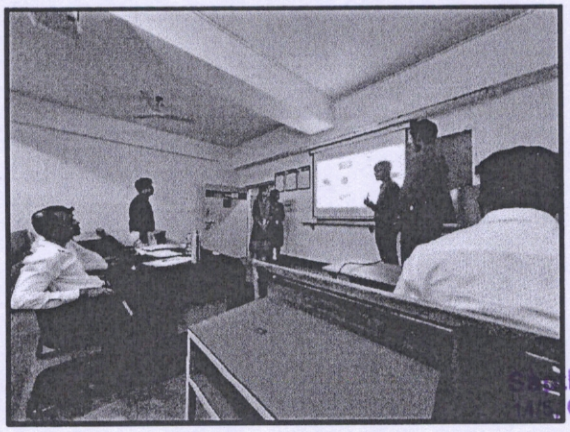

insisted students to develop skills needed to become entrepreneur like, learning the tools, understand market, Customer requirements and preparation of report etc. Finally the speaker described the need of Value Engineering in various sectors to identify the wastages and to eliminate them as customer is not going to pay for the non-value added processes. Finally he wished all the participants to make the best use of platform by interaction and active involvement.

On 24Th June-2022, Dr. Nagamadhu M, Professor, BMSIT had chaired the session in Department of Mechanical Engineering. He addressed the students of Mechanical Engineering about the importance of a Conference and Paper presentation for future benefits. Also, he verified and conducted a thorough evaluation of the Presentation.

Dr. Nagamadhu Addressing the Conference Participants on 24Th June 2022

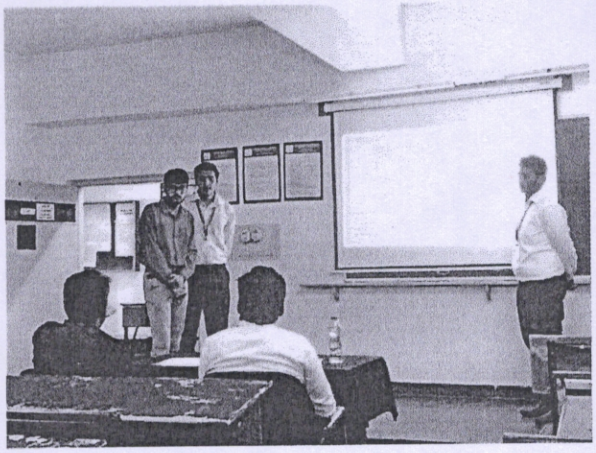

On 25Th June-2022, Dr. Sridhar R, Professor, RVCE had chaired the session in Department of Mechanical Engineering. He addressed the students of Mechanical Engineering about the importance of a Conference and Paper presentation for future benefits. Also, he verified and conducted a thorough evaluation of the Presentation.

In Association with

Valedictory Ceremony

On

"Global Convergence in Technology, Entrepreneurship, Computing and Value Engineering: Principles and Practices"

(ICGCP—2022)

Valedictory function was organized on 26th June 2022 at 01:00pm with all the heads of departments, faculties and all participants attended the same. Principal **Dr.Ramakrishna.H,** on this occasion thanked all the participants for presenting their research paper in ICGCP-2022, and encouraged them to further pursue research in their specialized areas. He insisted the students to publish research papers which will help them in building confidence and resume. And he also congratulated the HOD's and faculty for guiding and encouraging students to prepare and present papers. And he also urged the participants to publish their research work whenever they get opportunity.

During valedictory function **Dr. Harish G**, Professor, Department of Physics and Co-chairman ICGCP-2022 summarized the activities of two day international conference and congratulated all the research scholars for their active participation. He also urged the participants to participate in ICGCP 2022 to be organized in next year and encouraged all the participants to continue their research in the emerging areas. Research scholars who presented their paper in the conference gave their feedback and expressed their happiness over the opportunity provided for gaining knowledge through interaction and key note addresses.

It was Excellent
No suggestions
None.
Good experience
None
Good
More interactive sessions, more guidance
My teammates had a good experience
it was a great experience and good exposure
Nothing right now
It's was a very good experience with the publishing of papers.
Everything was fine it was excellent
Good Experience
No comments
GOOD EVENT
No suggestions thank you for this valuable opportunity to present our project. Feeling honoured
It was a great experience and we gained a good knowledge which is helpful for our future career.
It was quite good experience for us that we could present our ideas and innovations infront of people of such a high stature.Looking forward to participate in the next one hopefully.

Nil
The conference was well planned and organized. Encouraged the students towards more qualitative technical research in future.
Nothing
How to do research on topics?
Thank you so much for arranging this event in our college and it help us gaining knowledge
It was very good experience
Had a great experience
Very good experience
It was a great experience Thank you for it!
Nil
Nyc
Everything good
Good it was very nice place to present our ideas.
The conference was helpful
..It was overall a very well organized program
We got lot of things to learn and we got an idea how to further implement our project in future.
It was really helpful
Nice
Would have been better if we could have the chance to see conference paper presentations on other branches as well.
Everything's good and nothing to suggest
It was well and good
It was very good
Encourage the new ideas projects
Nothing to add

Excellent Conduction
Motivated me conduct more research
Informative
It was a good conference and a presentation
No response
this was a great opportunity to express about our project
ICGCP was good. Enjoyed participating in it.
Time limit for presentation should be followed.
