COMMUNITY CLUB

The Community club addresses a local need or problem by taking social action the local residents. In generating the community centers, the important social issues are minimized by the next generations. This problem provides an opportunity for students to understand the community. The needs and problems are identified and solved by assuming the social and civic responsibilities. It also provides with great opportunity to apply their education in finding practical solutions to the problems faced by the individuals and the community at large.

The members of community club actively participate in various programs of social service and national development, and to help the community. This gives values and commitment of students and institutions towards to society. It also provides a platform for students to help, serve and learn.

Rules and Responsibility

- To inculcate community service in students and to provide service to society without bias.
- Work to ensure that everyone who is needy gets help to enhance their standard of living.
- The convener is expected to inspire student youth to understand the values and philosophy of community club.
- Identify needs, problems and resources of the community.
- To conduct program for community services every years in rural areas.
- To create awareness and their responsibility towards community services.
- To help needy students in their studies.
- To organize environmental management programs such as Awareness on Swachh Bharath, AIDS awareness etc
