Mention organized /participated/attended	Organized

Event Description:

The Department of Biotechnology organized Photography competition on Nature Polaroid under the banner of The Institution of Engineers (India) Student chapter on 09-OCT-2020 at 02:00 pm in association with Shristi Forum, BT, SCE.

The objective of the competition is to allow and encourage students to appreciate and love nature through imagery, to celebrate the rich biodiversity on Earth and to know the precious value of natural environment in order to conserve and protect our natural environment. Total of 24 participants participated in the competition through email conversation.

Photography competition envisioned towards transmitting the splendor of our most magnificent natural environments, nature and national parks, and the creatures that live in them. For nature photographers, it takes a great understanding of different factors, in order to capture these moments the way they intended to. The vision of the forum activity is to motivate and to encourage

student's hobby and to take photography as their career choice.

Competition was conducted by sending out designed brochure to all the students and interested students participated. Students were asked to send the photos of their choice related to nature and wild life as the occasion was based on world habitat day (05-Oct-2020) and world animal day (04-Oct- 2020). Students enthusiastically participated by sending their mesmerize click. Each student was asked to send two photos which were supposed be taken recently without using any filters along with any favorite captions.
