*Type of event/activity	Technical Talk
Name/Title of the Activity/Event	Technical Talk on " Electric Solar Vehicles"
Date of Organization	03/01/2022
Venue (with address)	Seminar Hall , Sapthagiri College of Engineering, Bengaluru
Organized by	Department Electronics & communication, Electrical & Electronics and Mechanical Engineering departments in association with Hindustan Innovative Product Development Centre.
Objectives of the event/activity	<ol style="list-style-type: none"> 1. Orient the students on need of Solar Electric Vehicle as future mobility. 2. Provide the basic information needed about solar electric vehicles. 3. To provide an opportunity to interact and gather information related to EV. 4. To motivate students to take up projects on EV and participate in EV related competitions.
Participants (Please attach list of participants, if it is organized/conducted in the dept.)	85
Mention organized /participated/attended	85 students from 5 th Semester of EEE, ECE and ME participated in the talk.

Event Description:

A technical talk on "Electric Solar Vehicles" was organized on 03/01/2022 for 5th semester students of EEE, ECE and ME in Seminar hall of SCE, Bengaluru. The talk was organized to Orient the students on need of Solar Electric Vehicle as future mobility and to Provide the basic information needed about solar electric vehicles. Also the talk was aimed to provide an opportunity to interact and gather information related to EV and to motivate students to take up projects on EV and participate in EV related competitions.

Feedback on the Event.

To what extent the talk on "Solar Electric Vehicle " is appropriate in the present context?

40 responses

To what extent speaker was able to motivate you to build a Solar Electric Vehicle ?

40 responses

Was the speaker able to give relevant technical information about Solar Electric Vehicles ?

40 responses

Was the speaker able to motivate you to participate in solar electric vehicle competition ?

40 responses

To what extent do you believe that the speaker was able to motivate you to develop skills needed for building electric vehicle ?

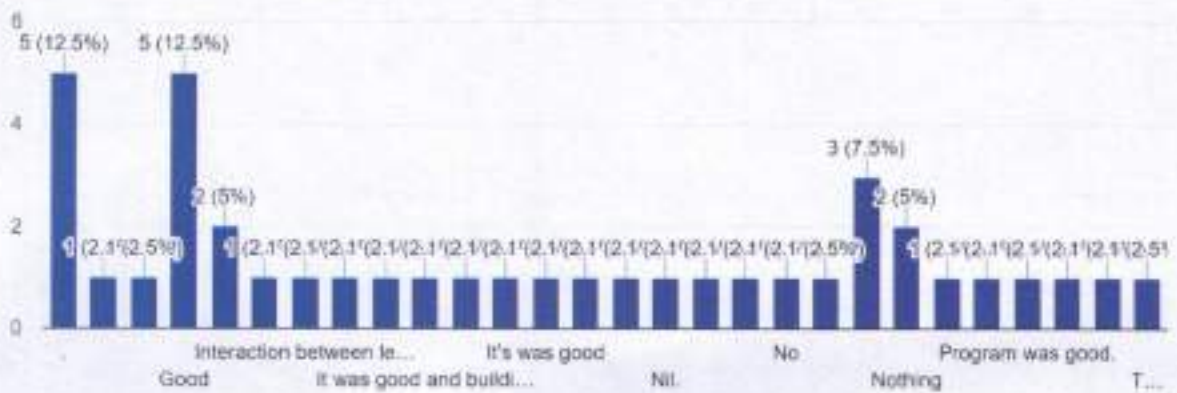

40 responses

Do you want the Department to organize more such technical talks on Solar Electric Vehicles ?
40 responses

Remarks on overall organization of Program / Suggestions for improvement.

*Type of event/activity	Class room activity
Name/Title of the Activity/Event	Demonstration of Prepared Working Models of Renewable Sources of Energy
Date of Organization	04/01/2022
Venue (with address)	Class room (CLH001), Sapthagiri College of Engineering, Bengaluru
Organized by	Mr. Satish Kumar YD, Assistant Professor, Department of Mechanical Engineering.
Objectives of the event/activity	<ol style="list-style-type: none">1. Orient the students on need of renewable sources of energy.2. Understand the importance of existing sources of energy and to preserve it.3. To provide an opportunity to interact and gather information related4. To motivate students to take up projects on electricity generating models.
Participants (Please attach list of participants, if it is organized/conducted in the dept.)	61
Mention organized /participated/attended	61 students from 1 st Semester of ECE-A participated in the event.

Event Description:

Model presentation & demonstration was organized on 03/01/2022 for 1st semester students of ECE-A in CLH-001 SCE, Bengaluru. The activity was organized to Orient the students on need and usage of renewable energy resources and its importance. Also the activity was aimed to provide an opportunity to interact with the class. Group of 4 members created and demonstrated the model created by themselves to the whole class. The activity gave a huge message on saving electricity and start using renewable sources for energy creation.

Name/Title of the Activity/Event	Mini Project Exhibition for 3 rd and 5 th Semester Mechanical Engineering students.
Date of Organization	31/01/2022
Venue (with address)	Department of Mechanical Engineering, Sapthagiri College of Engineering, Bengaluru
Organized by	Department of Mechanical Engineering
Objectives of the event/activity	<ol style="list-style-type: none"> 1. To provide opportunity to exhibit / demonstrate their project works. 2. To improve presentation, communication and leadership skills. 3. To promote individual / team work. 4. To promote peer & life-long learning. 5. To development financial management skill.
Participants (Please attach list of participants, if it is organized/conducted in the dept.)	52
Mention organized /participated/attended	52 students from 3 rd and 5 th Semester of Mechanical Engineering participated in the exhibition.

Event Description:

A Motivational Talk on " Current Trends in Industry 4.0, and Coding Skills for Non-Coding students " Was organized by Department of Mechanical Engineering in association with Indoskill, on 27/01/2022 on-line. The talk was conducted to, Orient the students on current needs of industry 4.0 and skills required and to Orient the students on the importance of coding and learning coding skills. The talk also was also conducted to provide an opportunity to interact and gather information coding and industry 4.0 and to motivate students to learn the coding skills required by industry 4.0.

Organizes a

Mini-Project Exhibition
 for 3rd & 5th Sem Mechanical Engineering Students

31st January - 2022 10am onwards

Objectives :

1. To Provide opportunity to exhibit / demonstrate their project work.
2. To improve presentation, communication and leadership skills.
3. To promote individual / team work.
4. To promote peer & life-long learning.

Chief Patrons

Sri.G.Dayanand
Chairman

Sri.G.D.Manoj
Executive Director

Expected Outcomes:

1. Able to apply fundamental knowledge and demonstrate their project work.
2. Able to present, communicate and interact effectively with visitors.
3. Able to work as individuals and in a team.
4. Able to lead & indulge in life-long learning.
