**Event Description:**

Connecting people to Nature implores us to get outdoors & into the nature and appreciate its beauty & its importance to take forward the call to protect the earth that we share.

World Environmental day is the biggest annual event for positive environmental action & takes place on every June 5. It began in 1972, Global citizens had organized many thousands of events, from neighborhood cleanups, to safeguard against wildlife crime & replanting trees.

At Sapthagiri College of engineering, we celebrated Environmental day on June 5 2021 by conducting technical talk on restoration of ecosystem by Dr. Prashanth J Assitant Professor NIT

silachar. The program winded with oath taking from all the faculties which made all our minds & heart strong in promoting good sustainable environment in safeguarding good aesthetics & health.
