Event Description:

The Department of Biotechnology organized one week certification course on Python Programming. The objective of this certification course was to read and write simple Python programs and develop Python programs with conditionals and loops. Students benefited by this program by upgrading their skills and learn this language to tame AI and ML tools. Total of 42 participants registered and participated in the online webinar through google meet.

Mr. J Surya Prakash, Assistant Professor, Department of Computer science, Sapthagiri College of Engineering, as a resource person he started this course by introducing objectives and outcomes of this certification course, briefing on reading and writing simple python programme, given simple programming writing on particular subject, given some mini projects and at end of the day conducted a test.

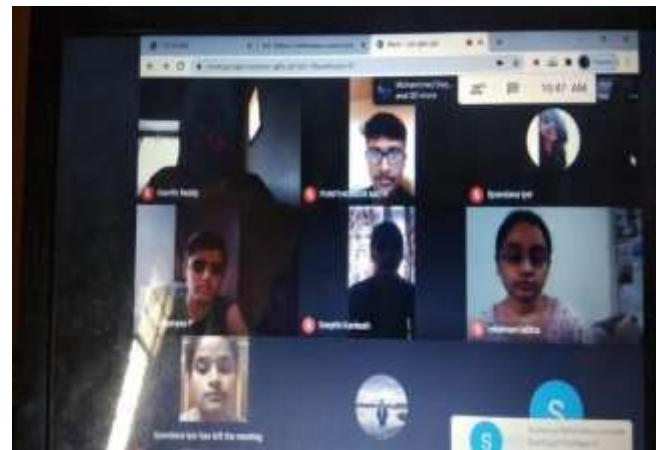

The session was started by welcome speech from Dr. Veena S More, HOD BT and followed by introduction of speakers by Dr Soumya C (Coordinators). The entire technical session was moderated by Dr Soumya C and Prof Prashanth Kumar HP. The formal vote of thanks was delivered by Dr Soumya C.
