The Alumni Talk started at 10:00 AM with welcome speech by Dr. Kamalakshi Naganna Professor & Head, Dept. of CSE thanked College Management, Principal Dr. Ramakrishna H, HOD's of all department for providing opportunity to organize this event.

The Speaker Mr. Shivam explained to explore the power and simplicity of Merchants send batches of authorized transactions to their **payment** processor. The **payment** processor passes transaction details to the **card** associations that communicate the appropriate debits with the issuing banks in their network. The issuing bank charges the cardholder's account for the amount of the transactions. The speaker Mr. Shivam, **Senior Test Engineer** / Test Analyst, **Attra Bangalore** , has given the mix of theory and some practical knowledge of **Credit card Payment - Industry Perspective**. This talk gave the students information about the importance of **Credit card Payment - Industry Perspective** motivated the students with his speech and explained industry aspects how they are beneficial for their upcoming placements and technical knowledge. At the end of the Session, Students felt the talk was so useful for career opportunities, and also students and guest speaker thanked Management, Principal, Dr. Kamalakshi Naganna Professor & Head, Dept. of CSE, Coordinators for organizing this event.
