Event Description:

The Department of Biotechnology organized one day webinar programme on Entrepreneurship and Skill Development under the banner of The Institution of Engineers (India) Student chapter on 30-09- 2020 at 10:00 Am in association with Shristi Forum, ABVP.

The objective of the webinar was to show the path for the students how to be prepare themselves to be an Entrepreneur and to develop the skills in that direction. Being engineers which field to choose to be a successful entrepreneur. Total of 224 participants registered and participated in the online webinar through google meet.

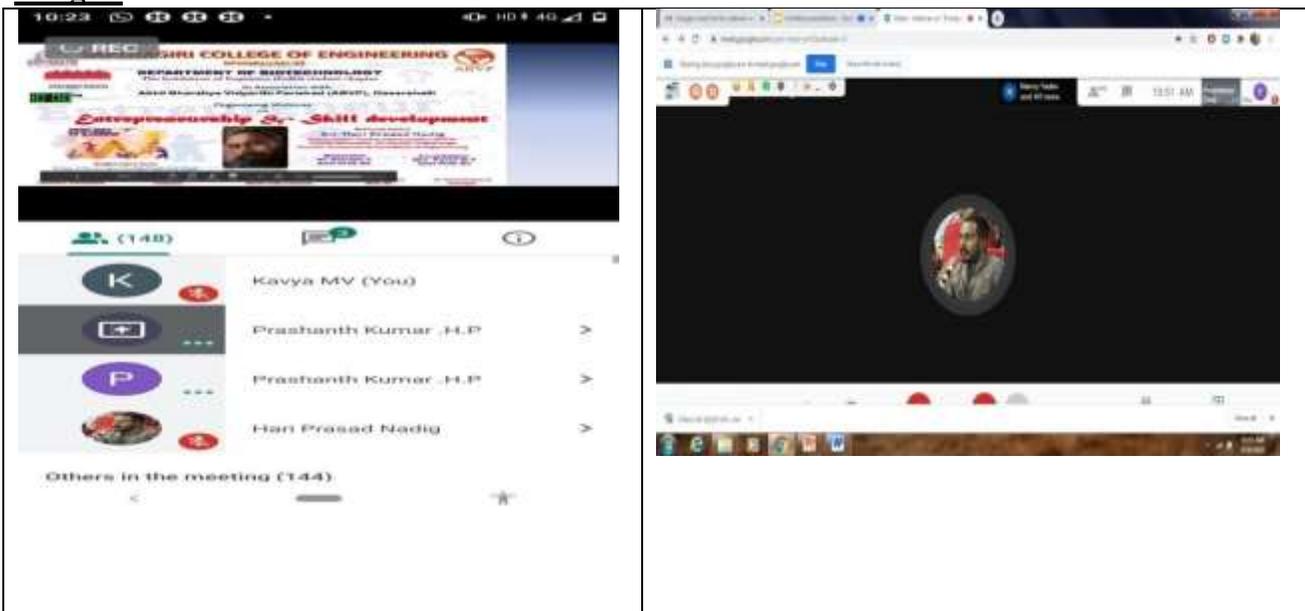

AY: 2020-2021
2020-ODD

The Shristi Forum conveners gave an insight on different activities for technical students present at the ABVP platform. The eminent resource speaker SRI. HARI PRASAD NADIG, Director & Co-founder, SAARANGA Infotech LLP., Bengaluru delivered very informative Session covering priorities, skills to start up, entrepreneurship as a career with lots examples. He also narrated his own life as a student transforming to a successful entrepreneur with more than five established enterprises. Lot of students and participants from all over India had nice Interaction in question and answer session with the speaker.

Mr. Nadig envisioned towards the new ideas & the hurdles for the implacability towards startups. He took up some startup examples & narrated about the ethical implications, social involvement, problems, team work & importance of communication to be a true entrepreneur.

The session was started by welcome speech from Dr. Veena S More, HOD BT and followed by introduction of speakers by Prof Kavya MV and Prof Shobha G (Coordinators). The entire technical session was moderated by Dr Soumya C and Prof Prashanth Kumar HP. The formal vote of thanks was delivered by Prof Prashanth Kumar HP (Convener)
