Forum activity Report

*Type of event/activity	Webinar
Name/Title of the Activity/Event	“World Soil Day”
Date of Organization	07-Dec-2020
Venue (with address)	Department of Civil Engineering (SCE)
Organized by	Dr. Kumar Raju B C
Objectives of the event/activity	To discuss on : <ul style="list-style-type: none">• Keep soil alive, protect soil biodiversity• Raise awareness of the importance of maintaining healthy ecosystems and human well-being• Addressing the growing challenges in soil management, fighting soil biodiversity loss• Increasing soil awareness and encouraging governments, organizations, communities and individuals around the world to commit to proactively improving soil health.
Participants (Please attach list of participants, if it is organized/conducted in the dept.))	50+ participants
Mention organized /participated/attended	Organized

Event Description:

The Department of Civil Engineering organized NSS online program on “World Soil Day” under the banner of The Institution of Engineers (India) Student chapter on 07-Dec-2020 in association with Shristi Forum, BT and NCC committee, SCE.

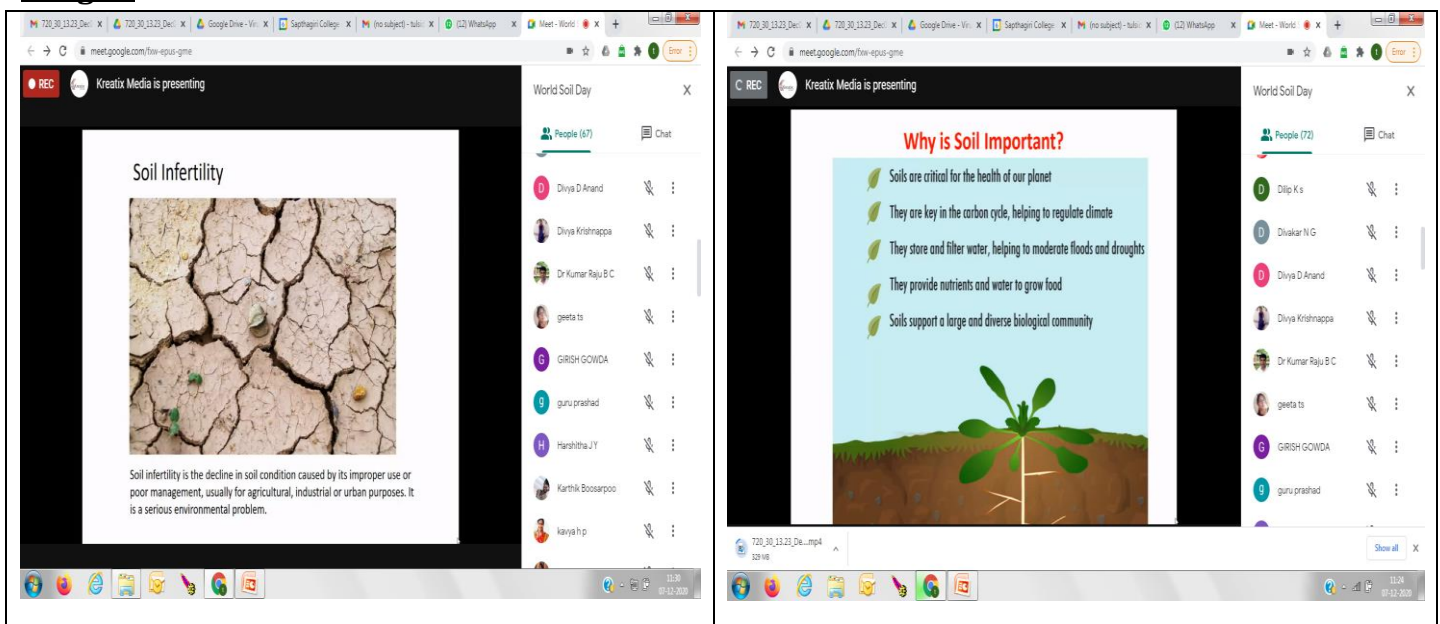

The session was open for the students. The resource person for the talk was Ms. Anjali Ramachandra, Co-Founder, Avani Green Factory, Founder Director, Kreatix Media, Bengaluru.

The Aim & objective of the program is to make understand and provide information regarding –

- The theme of World Soil day 2020, according to the Food and Agriculture Organization (FAO) campaign, is “Keep soil alive, protect soil biodiversity”.
- By encouraging people around the world to engage in proactively improving soil health, the campaign aims to fight soil biodiversity loss.
- If the fertility of the soil is not ensured, it could threaten global food supplies and thereby food safety.
- According to FAO, the campaign aims to raise awareness of the importance of maintaining healthy ecosystems by addressing the growing challenges in soil management, fighting soil biodiversity loss and encouraging governments, organisations, communities and individuals around the world.

Talk is conducted through Zoom meeting; it had an interactive session where the queries were answered by the resource persons. About 50+ participants attended the orientation talk. It was an enlightening and fruitful session.
