Alumni talk on CRM package

The Department of Information Science & Engineering had organized a Career Guidance & Interaction Session with Alumni Ms. Hina Hishrath, Junior Associate; Cons league Ltd on 2nd November 2019. Ms. Hina took students of 7th, 5th and 3rd semester through an immersed experience of making a career in Cloud Computing in general and CRM software like Sales Force.

She gave nitty-gritty of working methods with Sales Force and also guided students on how to pursue certifications in Sales Force and also highlighted various designations in which a Sales Force Certified Engineer can work. The session was followed by Q&A where enthusiastic students got their doubts clarified.

Glimpses of Alumni talk:

Prof. Ravichandra welcoming alumni for the session.

Ms. Hina Hishrath, delivering lecture on CRM Package.
