

Report on, Webinar,
“On-Line Innovative Teaching Learning Methods”
(Tools & Techniques)

Organized by
“IIIE STUDENT CLUB”

DEPARTMENT OF MECHANICAL ENGINEERING

In association with

INDIAN INSTITUTION OF INDUSTRIAL ENGINEERING

Date: 05.08.2020

Time: 11.00 AM to 12.30 PM

Number Faculty Attended: 89

A Webinar on “ On-Line Teaching Learning Methods (Tools & Techniques) was organized by IIIE Club, Department of Mechanical Engineering in association with Indian Institution of Industrial Engineering, on 05/08/2020 at 11 am. **Principal, Dr. H. Ramakrishna, Vice-Principal Dr. M. H. Annaiah** presided over the event. Heads of department of all sections and faculties attended the webinar.

The speaker **Dr. B.Ravishankar**, Professor, department of Industrial Engineering, BMS College of Engineering started the session with the need of on-line teaching methods in present scenario and stressed on the methods of conducting on-line classes to Engineering students. He spoke in detail about on how to conduct on line classes for different courses and to customize the content for each course.

Dr. B.Ravishankar also introduced the audience with various tools and techniques that can be employed to conduct on-line classes. He also showed few case studies conducted using Coursera and

Department of Mechanical Engineering

demonstrated on how to identify students based on their involvement in the class and how to improve their attention during a class.

WEBINAR ON
"INNOVATIVE ONLINE TEACHING
LEARNING METHODS"

Dr.B.Ravishankar also demonstrated the effectiveness of on-line classes through case studies and few examples and stressed on developing innovative techniques and contents to create interest in students and thereby enhancing their performance in examination and future endeavors. Finally he concluded the session with sharing his personal experiences in teaching, research and association with Indian Institution of Engineering.

Concluding the session, **Dr. Ramakrishna**, Principal Sapthagiri college of Engineering thanked the speaker, Management, Heads of department and all the faculty members. Also he encouraged the faculty to conduct on-line classes more effectively to achieve better teaching learning process.
