

COMMUNITY CLUB REPORT

Name of the Event organised	Awareness on Dengue and Malaria
Date and Day	02/04/2019 Tuesday
Issues addressed	Prevention of Dengue and Malaria
Place of the event conducted	Govt School
<p>Report:</p> <p>A team of student volunteers organized an event “Awareness on Dengue and Malaria” at Govt School. The Program was organised and co-ordinated by Prof.Tulsidas (Community club) along with students from Community club. Students and Teachers of Govt School were given information about the cleanliness to be maintained for preventing Dengue and Malaria. The teachers were happy for the active participation of college students. Teachers appreciated our students for their honest hard work towards social responsibility and commitment towards the community. The awareness is created among the students and Teachers by conducting a session on dengue and malaria prevention, will learn more about measures to stay healthy and what all to do in case of infection. The students are taking active steps to spread awareness, participating in making a change, and practicing preventive measures in their daily lives.</p> <p>The awareness programs can deeper only in schools. School students are better equipped to understand the reasons behind the preventive steps they are to take than the general public out there. They can better understand the difference in species that lead to the spread of those diseases, how they fly around at different times of the day and how fever along with headaches are symptoms on one disease but not the other. School students are in a better place to persuade their parents or anyone in the society to visit a clinic for they know the science that goes on in the backdrop and can put forth logical arguments to anyone</p>	
Impact & Sensitization	Clean Area/Village with proper measures to prevent Dengue and Malaria
Faculty Coordinators	Dr.Tulsidas D & Prof. Prashanth Kumar H P
