

Department of Electronics & Communication Engineering Sapthagiri College of Engineering

Guest Lecture Report

Topic: “Effective Career planning for Engineering Students”

By

Mr. Prakash

Bangalore

Date: 26.09.2019

Time: 1.30 PM to 2.30 PM

Venue: Seminar Hall, SCE Bangalore.

The session started with the need and importance of higher education in planning the student's career. The session continued with the providing the details about the benefits of effective career planning after engineering, how to crack IES and gate exams in 1st attempt, about the job openings in PSU's like PGCIL, NTPC, BHEL, IOCL, NALCO etc.

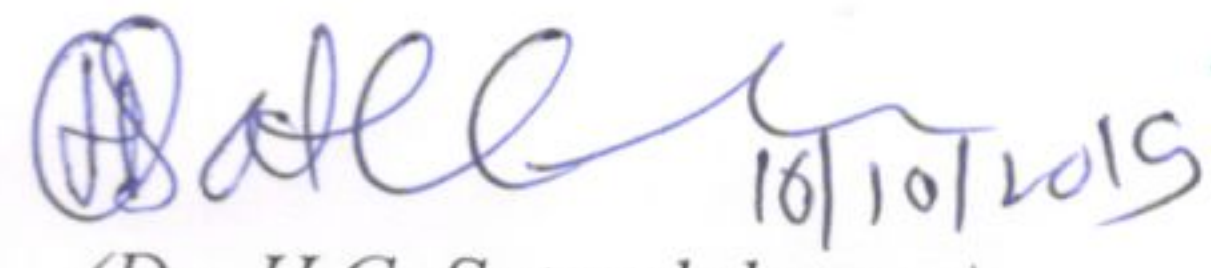

The speaker provided the information to students on how to prepare for a successful interview, how to address certain questions that may arise in interview and how to search career of choice.

Further speaker suggested the students to write GATE and IES competitive exams for them to set the career of their choice as GATE score is valid even to start their higher studies even in foreign countries.

The session concluded with student's interaction with the questionnaire and feedback from students. Student found the session to be very useful.
