Student Induction Program (SIP) Phase-II Report for the Academic Year 2020-21

Introduction:

The program was designed to make the newly joined Engineering students feel comfortable and sensitize them towards exploring their academic activities and interests, making them work for supremacy and promote bonding between them, to build better relationships with teachers also to give a broader view of life in building of good character.

When newly joined students enter an institution, it's very important to educate them to adjust to the new environment and inculcate the ethos of the institution with a perception of a larger purpose since they come from diverse ideas and various backgrounds. Therefore a long term induction program for the first-year students has been introduced in the institution as per the AICTE & VTU direction.

The purpose of the induction program is to make the newly joined students feel comfortable in the institution and set a healthy daily routine, enhance awareness regarding social and human values, and establish a better bonding.

Student Induction Program (SIP) Phase II was conducted through online mode (Zoom Platform) for first-year Even Semester students for the AY 2020-21 from 03/05/2021 to 12/05/2021.

Student Induction Program (SIP) 2020-21(Virtual)

Online platform: ZOOM

Phase-II Time-table: EVEN Semester (P& C -cycle)

Day/Date	Session Time: 10 am to 12 pm
Monday 03.05.2021	Topic: Recent Developments in Power Sector Speaker : Dr. Vasudev , Director, Manombhu Technologies Pvt Ltd, Bengaluru
Tuesday 04.05.2021	Topic: Introduction to Environment for Engineers Speaker: Mr. Rameshkumar , Environmental Expert, Pollution control Board, Karnataka.
Wednesday 05.05.2021	Topic: Recent & Emerging Trends in Bio-Technology Industries Speaker: Mr. Vijayakumar Jayaraman , Senior Manager, Kemin South Asia Pvt Ltd, Chennai
Thursday 06.05.2021	Topic: What it Takes to Become a Good Engineer Speaker: Mr. Srinivas T V , Founder & CEO, XBE Ltd, Bengaluru.
Friday 07.05.2021	Topic: How to Discover an Ideal Career Path Speaker: Mr. Narahari Rao , Founder & Director at ChintaMoney
Monday 10.05.2021	Topic: Art of Mind Management and Emotional Balance Speaker: Mr. Vishnu Ravi , Executive Campus Connect and the presenter of AIKYA, youth initiative of ISKCON Bangalore.
Tuesday 11.05.2021	Topic: Gender Sensitization During Pandemic To Bring Equality By Creating Achievers Speaker: Mr. Suresh H. Director of Operations, Omega Healthcare Management Services Pvt. Ltd. Bengaluru.
Wednesday 12.05.2021	Topic: Opportunities and Challenges for Young Engineers Speaker: Prof. Sudhindra Haldodderi , Former Scientist, DRDO and Science Writer.

Inauguration:

- Inauguration of Student Induction program (SIP) Phase-II: Program was inaugurated by Dr. H Ramakrishna, Principal, SCE.
- Principal was highlighted about purpose of conducting SIP for first year students to set a healthy daily routine, enhance awareness regarding social and human values, and establish a better bonding.
- As per the directions of AICTE and VTU, SIP Phase-2 is conducting in our institution and informed the students to get the benefits by attending all the sessions of SIP.

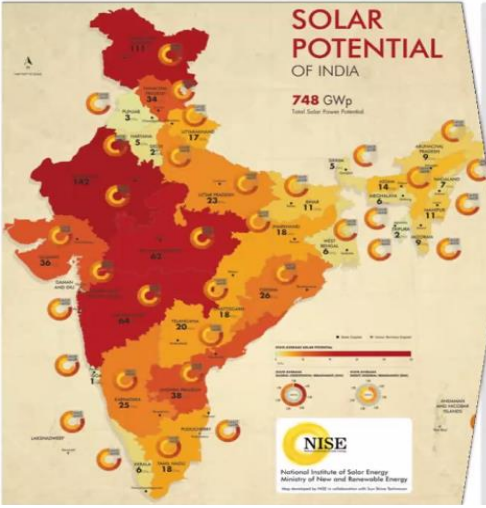

Dr. H Ramakrishna, Principal

Day 1: 03/05/2021

- Speaker **Dr. Vasudev**, Director, Manombhu Technologies Pvt Ltd, Bengaluru, delivered speech on Recent developments in power sector and explained about Electricity, Consumption of Electricity, Economic growth, Power system components, Analogy of Power system vs. Human body and Solar energy.

LIVE on YouTube

Solar Energy Potential

SOLAR POTENTIAL OF INDIA
748 GWp

NISE
National Institute of Solar Energy
Ministry of New and Renewable Energy

Capacity and Potential

- World's 11th largest solar capacity: 3.3 GW
- Solar potential assessed to be 748 GW

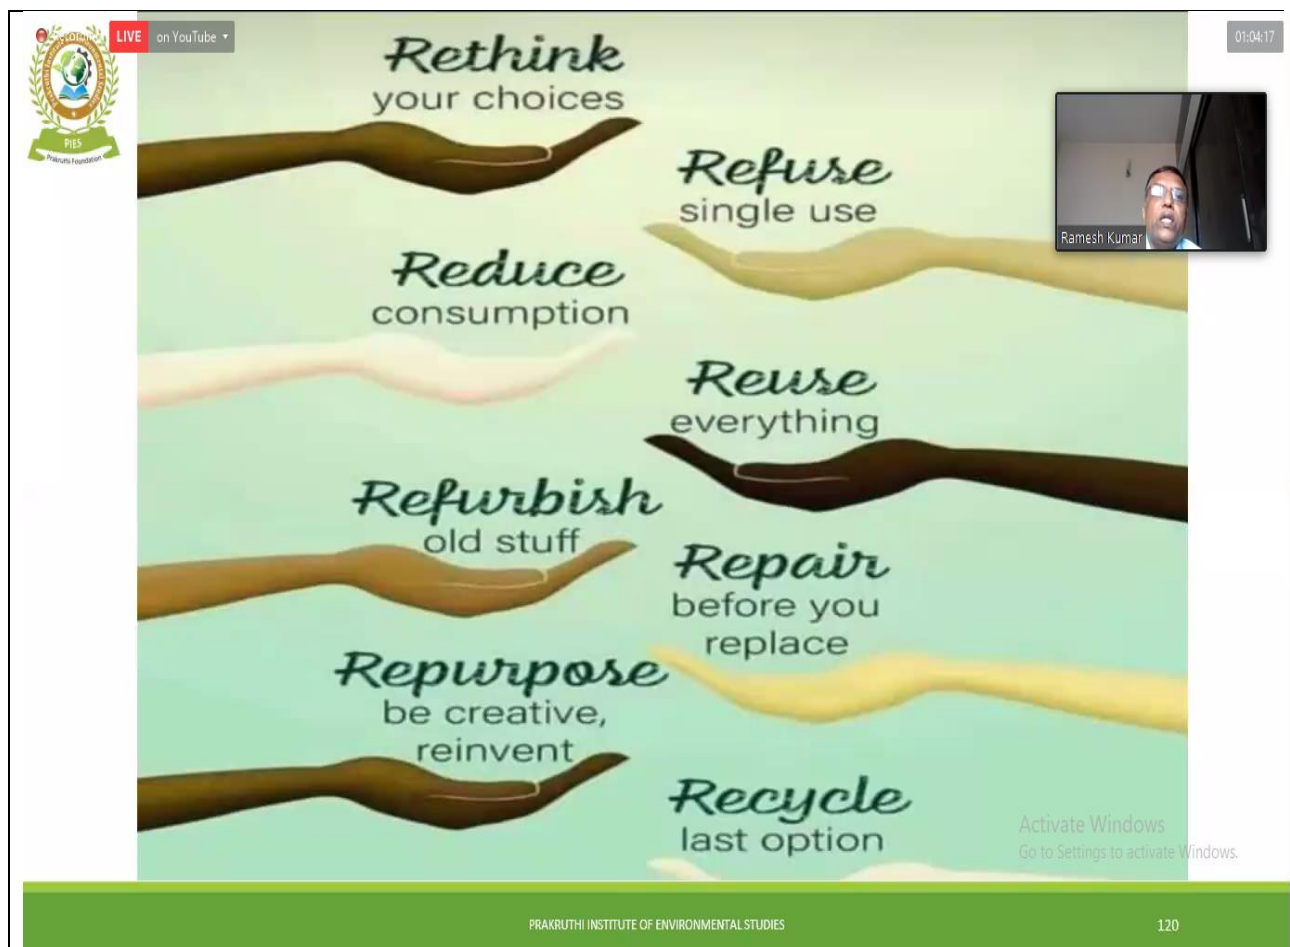

Policy Goals

- 100 GW by 2022

Speech by Dr. Vasudev

Day 2: 04/05/2021

- In Day-2 session, a talk was held on Introduction to Environment for Engineers by **Mr. Ramesh Kumar**, Chief Environmental Officer (R), Karnataka state Pollution control Board. Speaker, discussed about Environment, Environmental pollution, Human Health effects, Environmental acts, importance of World water day, Distribution of water, Water pollution and sources, Waste management, E-waste, sources of Radiation pollution, Conservation measures.

Talk by Mr. Ramesh Kumar

Day 3: 05/05/2021

- In Day-3 session, **Mr. Vijayakumar Jayaraman**, Senior Manager, Kemin South Asia Pvt Ltd, Chennai, delivered a talk on Recent & Emerging Trends in Bio-Technology Industries. Speaker briefed about Indian Biotechnology Industry status, leading companies in India, Different sectors in Biotech industries, Investments and recent developments, Clinical trials, Biotech parks, India vs. Global comparison and Challenges in India.

Mr. Vijayakumar Jayaraman delivering the talk

Day 4: 06/05/2021

- In Day-4 session, a talk was held on what it takes to become a Good Engineer by **Mr. Srinivas T V**, Founder & CEO, XBE Ltd, Bengaluru. Speaker, discussed about Five major Points to become Good Engineers, they are
- ❖ Be strong on your basics
 - ❖ Question the status
 - ❖ Don't be afraid of failures
 - ❖ Problem solving skills a strength of an engineer
 - ❖ Choose your role wisely based.

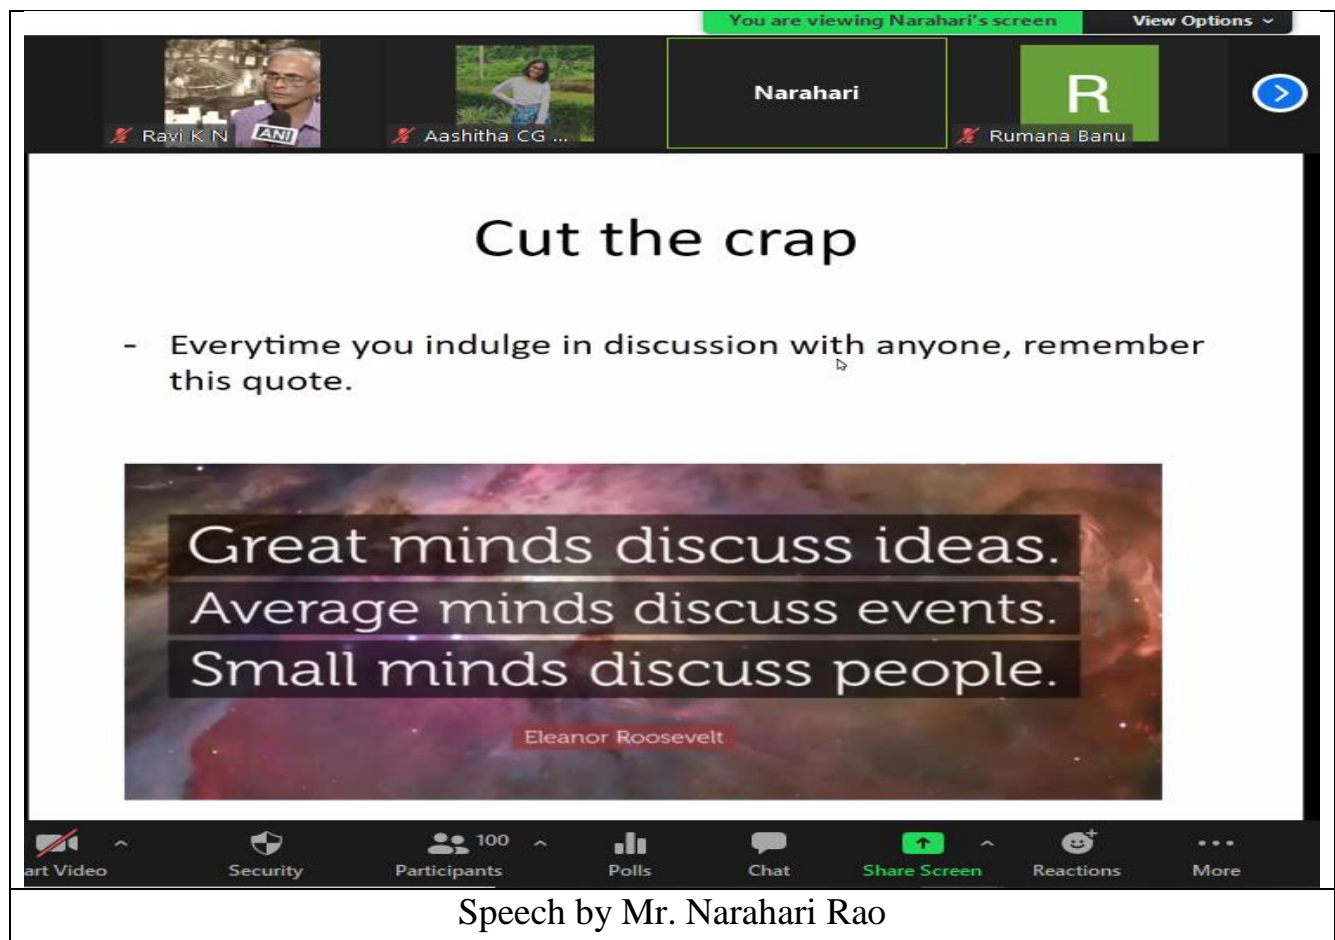

Mr. Srinivas T V explaining the factor

Day 5: 07/05/2021

➤ Speaker **Mr. Narahari Rao**, Founder & Director at ChintaMoney, carried out a speech on How to Discover an Ideal Career Path. In his speech the following points have been covered.

- Know, Why are you in engineering Career
- I don't know- How to use
- Gaining Specific Knowledge
- Proper and effective use of Network
- Cut the crap
- Focus and Perseverance
- Think Big
- Good idea to start-up early.

The screenshot shows a Zoom meeting interface. At the top, there is a green banner that says "You are viewing Narahari's screen" and a "View Options" dropdown. Below this, there are three video thumbnails: "Ravi K N" (muted), "Aashitha CG ..." (muted), and "Narahari" (active). To the right of the "Narahari" thumbnail is a green square with a white "R" and a blue arrow icon. Below the thumbnails, the main content area displays a slide with the title "Cut the crap" and a bullet point: "- Everytime you indulge in discussion with anyone, remember this quote." Below the text is a quote by Eleanor Roosevelt: "Great minds discuss ideas. Average minds discuss events. Small minds discuss people." The quote is displayed on a dark background with a colorful, abstract pattern. At the bottom of the slide, the name "Eleanor Roosevelt" is written in red. The Zoom control bar at the bottom includes icons for "Mute Video", "Security", "Participants" (100), "Polls", "Chat", "Share Screen", "Reactions", and "More".

Speech by Mr. Narahari Rao

Day 6: 10/05/2021

➤ **Mr. Vishnu Ravi**, Executive Campus Connect and the presenter of AIKYA, youth initiative of ISKCON Bangalore, had conveyed speech on Art of Mind Management and Emotional Balance. Speaker, highlighted about

- Need for controlling the Mind
- Understanding the mechanism of mind
- Methods of mind management.

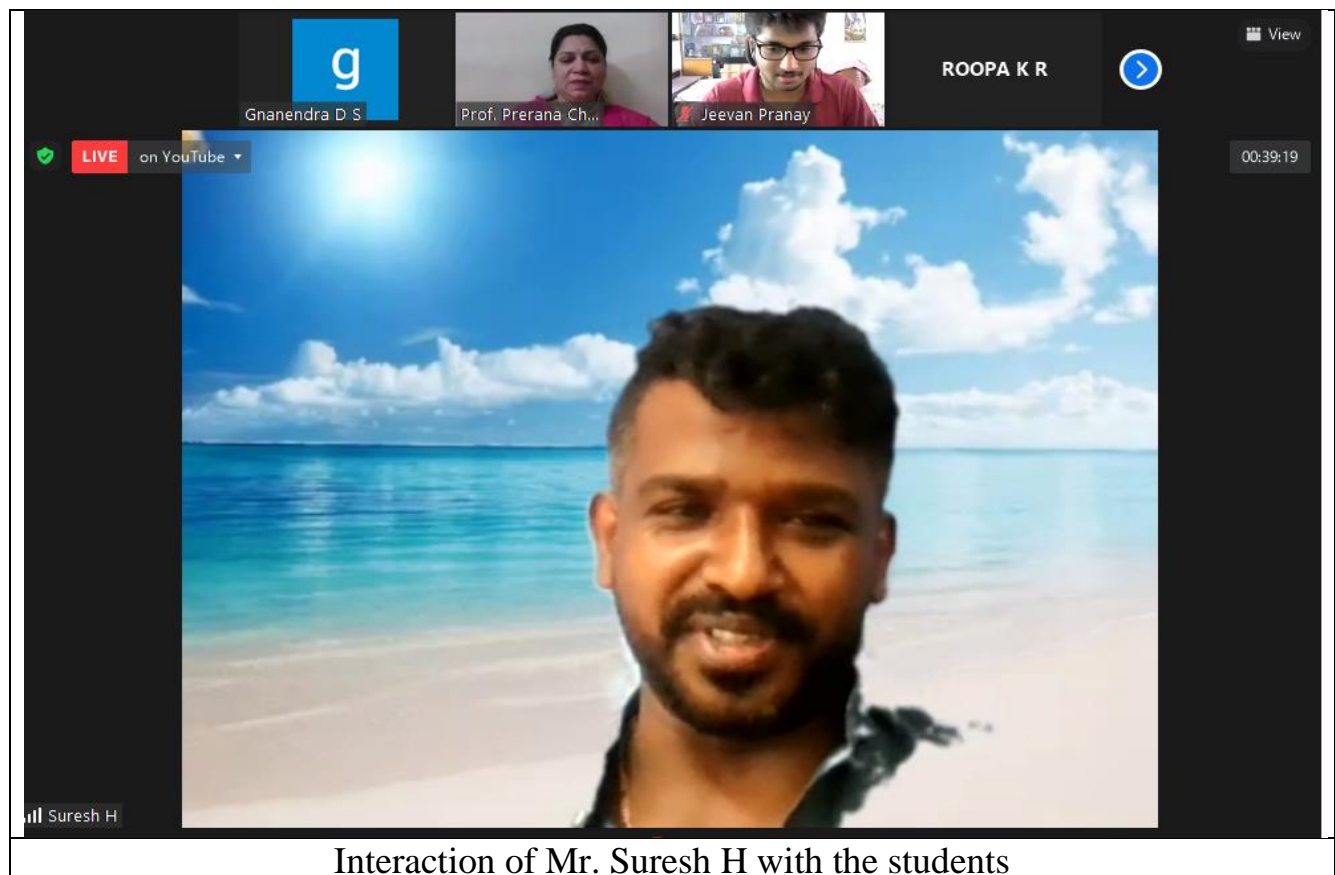

Mind control will result in:

- Positive changes in your life
- Development of excellent memory, creativity & good health
- Improved personal relationships
- Increased self-confidence

Day 7: 11/05/2021

- Prof. Prerana chaitra, Dept. of ECE, briefing about Women Empowerment Cell (SAMARTHINI) in our Institution and shared the information about Gender sensitivity, Prevention of sexual harassment, Equality and various events conducted in our college.
- Later, the session is handed over to speaker **Mr. Suresh H**, Director of Operations, Omega Healthcare Management Services Pvt. Ltd. Bengaluru to deliver a talk on Gender Sensitization during Pandemic to Bring Equality by Creating Achievers. This is an Interactive session and many students resolved their queries by interacting with the speaker. Speaker, mentioned about the careful observation and instant monitoring of Gender sensitivity, Equality in various corporate sectors.

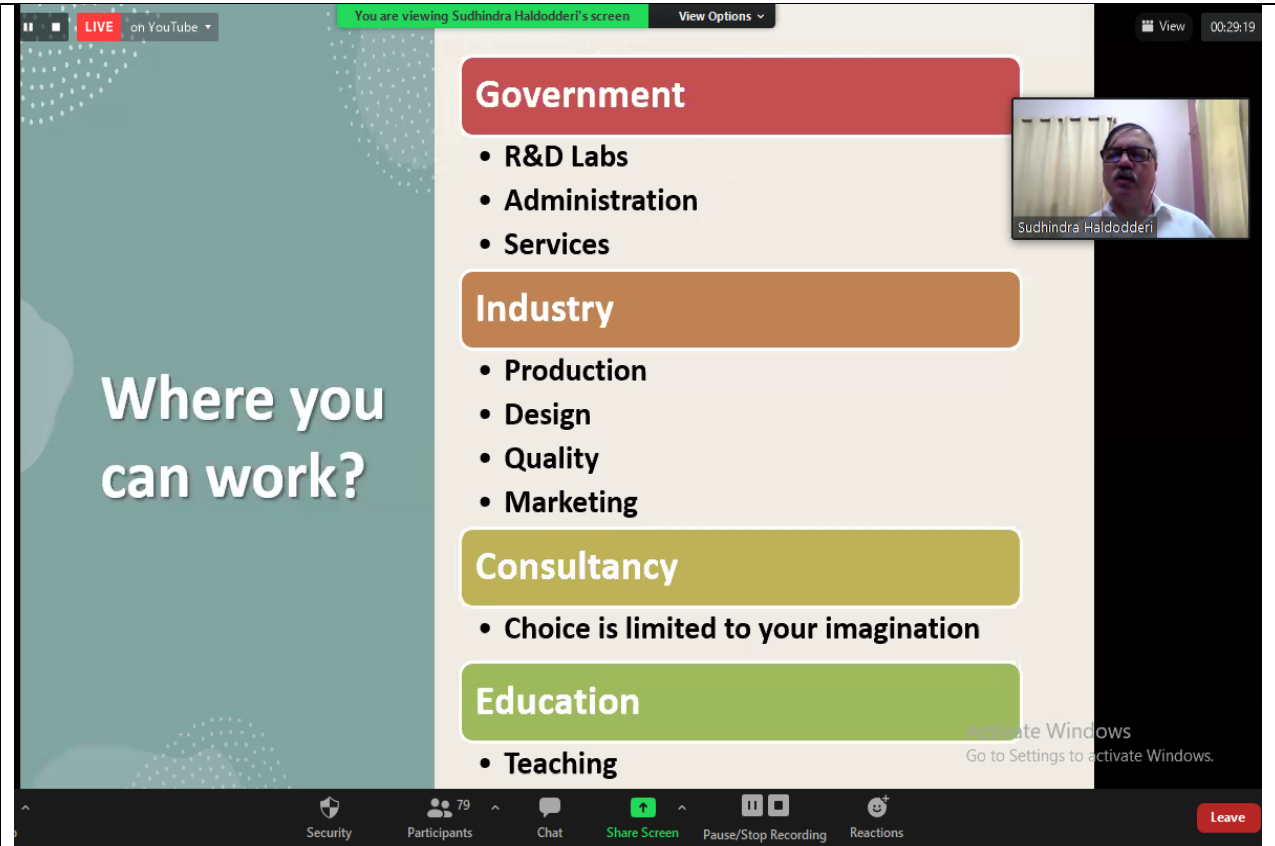

Interaction of Mr. Suresh H with the students

Day 8: 12/05/2021

➤ Speaker, **Prof. Sudhindra Haldodderi**, Former Scientist, DRDO and Science Writer, delivered speech on Opportunities and Challenges for Young Engineers. Speaker explained about,

- What is Engineering
- Why Engineering
- Conventional Engineering careers
- What do Engineers make
- What you learn, Where you can work, Types of work
- Challenges in 21st century
- Opportunities in DRDO for various branches of Engineering
- Secret of success.

The screenshot shows a video conference interface. The main content is a presentation slide with the title "Where you can work?". The slide lists four categories with their respective sub-points:

- Government**
 - R&D Labs
 - Administration
 - Services
- Industry**
 - Production
 - Design
 - Quality
 - Marketing
- Consultancy**
 - Choice is limited to your imagination
- Education**
 - Teaching

The video conference interface includes a "LIVE on YouTube" indicator, a "View Options" dropdown, a "View" button, and a timer showing "00:29:19". A small video window shows Prof. Sudhindra Haldodderi. The bottom of the interface features a control bar with icons for Security, Participants (79), Chat, Share Screen, Pause/Stop Recording, Reactions, and a "Leave" button. A watermark "Activate Windows Go to Settings to activate Windows." is visible in the bottom right corner of the slide.
