*Type of event/activity	Bridge Course
Name/Title of the Activity/Event	Basic science of Electromagnetic Radiation Resource Person: Dr J S S Allwin Ebinesar, Associate Professor, Department of Biotechnology, sapthagiri College of engineering.
Date of Organization	24 th Aug 2020 to 30 th Aug 2020
Venue (with address)	Department of Biotechnology, SCE
Organized by	Dr. Soumya C - Coordinator
Objectives of the event/activity	Student will identify common uses and applications of Electromagnetic radiation
Participants (Please attach list of participants, if it is organized/conducted in the dept.)	49 participants (V sem)
Mention organized /participated/attended	Organized

Event Description:

The Department of Biotechnology organized one week Bridge course on Basic science of Electromagnetic Radiation

The objective of this Bridge course was to identify common uses and applications of Electromagnetic radiation .Students benefited by this program by upgrading their skills and learn this language to tame AI and ML tools .Total of 49 participants registered and participated in the online webinar trough Zoom meet.

Dr J S S Allwin Ebinesar, Associate Professor, Department of Biotechnology, sapthagiri College of engineering as a resource Person, he started this course by introducing objectives and outcomes of this bridge course, solving problems related to electromagnetic radiations and at end of the day conducted a test.
