## STUDENT COUNCIL

### STATEMENT OF PURPOSE

Student council in Sapthagiri College of Engineering associates with academic and various student centric related issues. The various activities and disciplines are moved efficiently by student council. It consists of students from various departments working together. Students involve for curricular and social commitment mind. The management, faculties and other staffs join together with this council to achieve the horizon in a broad and clearer aspect. The student council meetings are held regularly with related students and in charge faculties.

Student Council has class representatives for each class are identified by their past and present performances. They are selected by respective class students. They work to gather information of ongoing classes or activities and convey important messages to higher authorities. The student Council members identified are for an academic year.

Along with class representatives, respective faculties are allotted for related committees. Many students are volunteered also be a part of council for various activities. The students are being continuously involved in many activities. The council members for each activity drive the events in a planned way. The student council actively participates in all events responsibly with dedication and provides better output.

The student council have better relationship with faculties and management which showcase better standard of program output.

#### VISION

To provide platform for co-curricular and extra-curricular activities among students which enhance the quality of student.

#### MISSION

Continuously strive to achieve the best possible goals of a student and enrich them with true spirits by supporting them in all activities.
